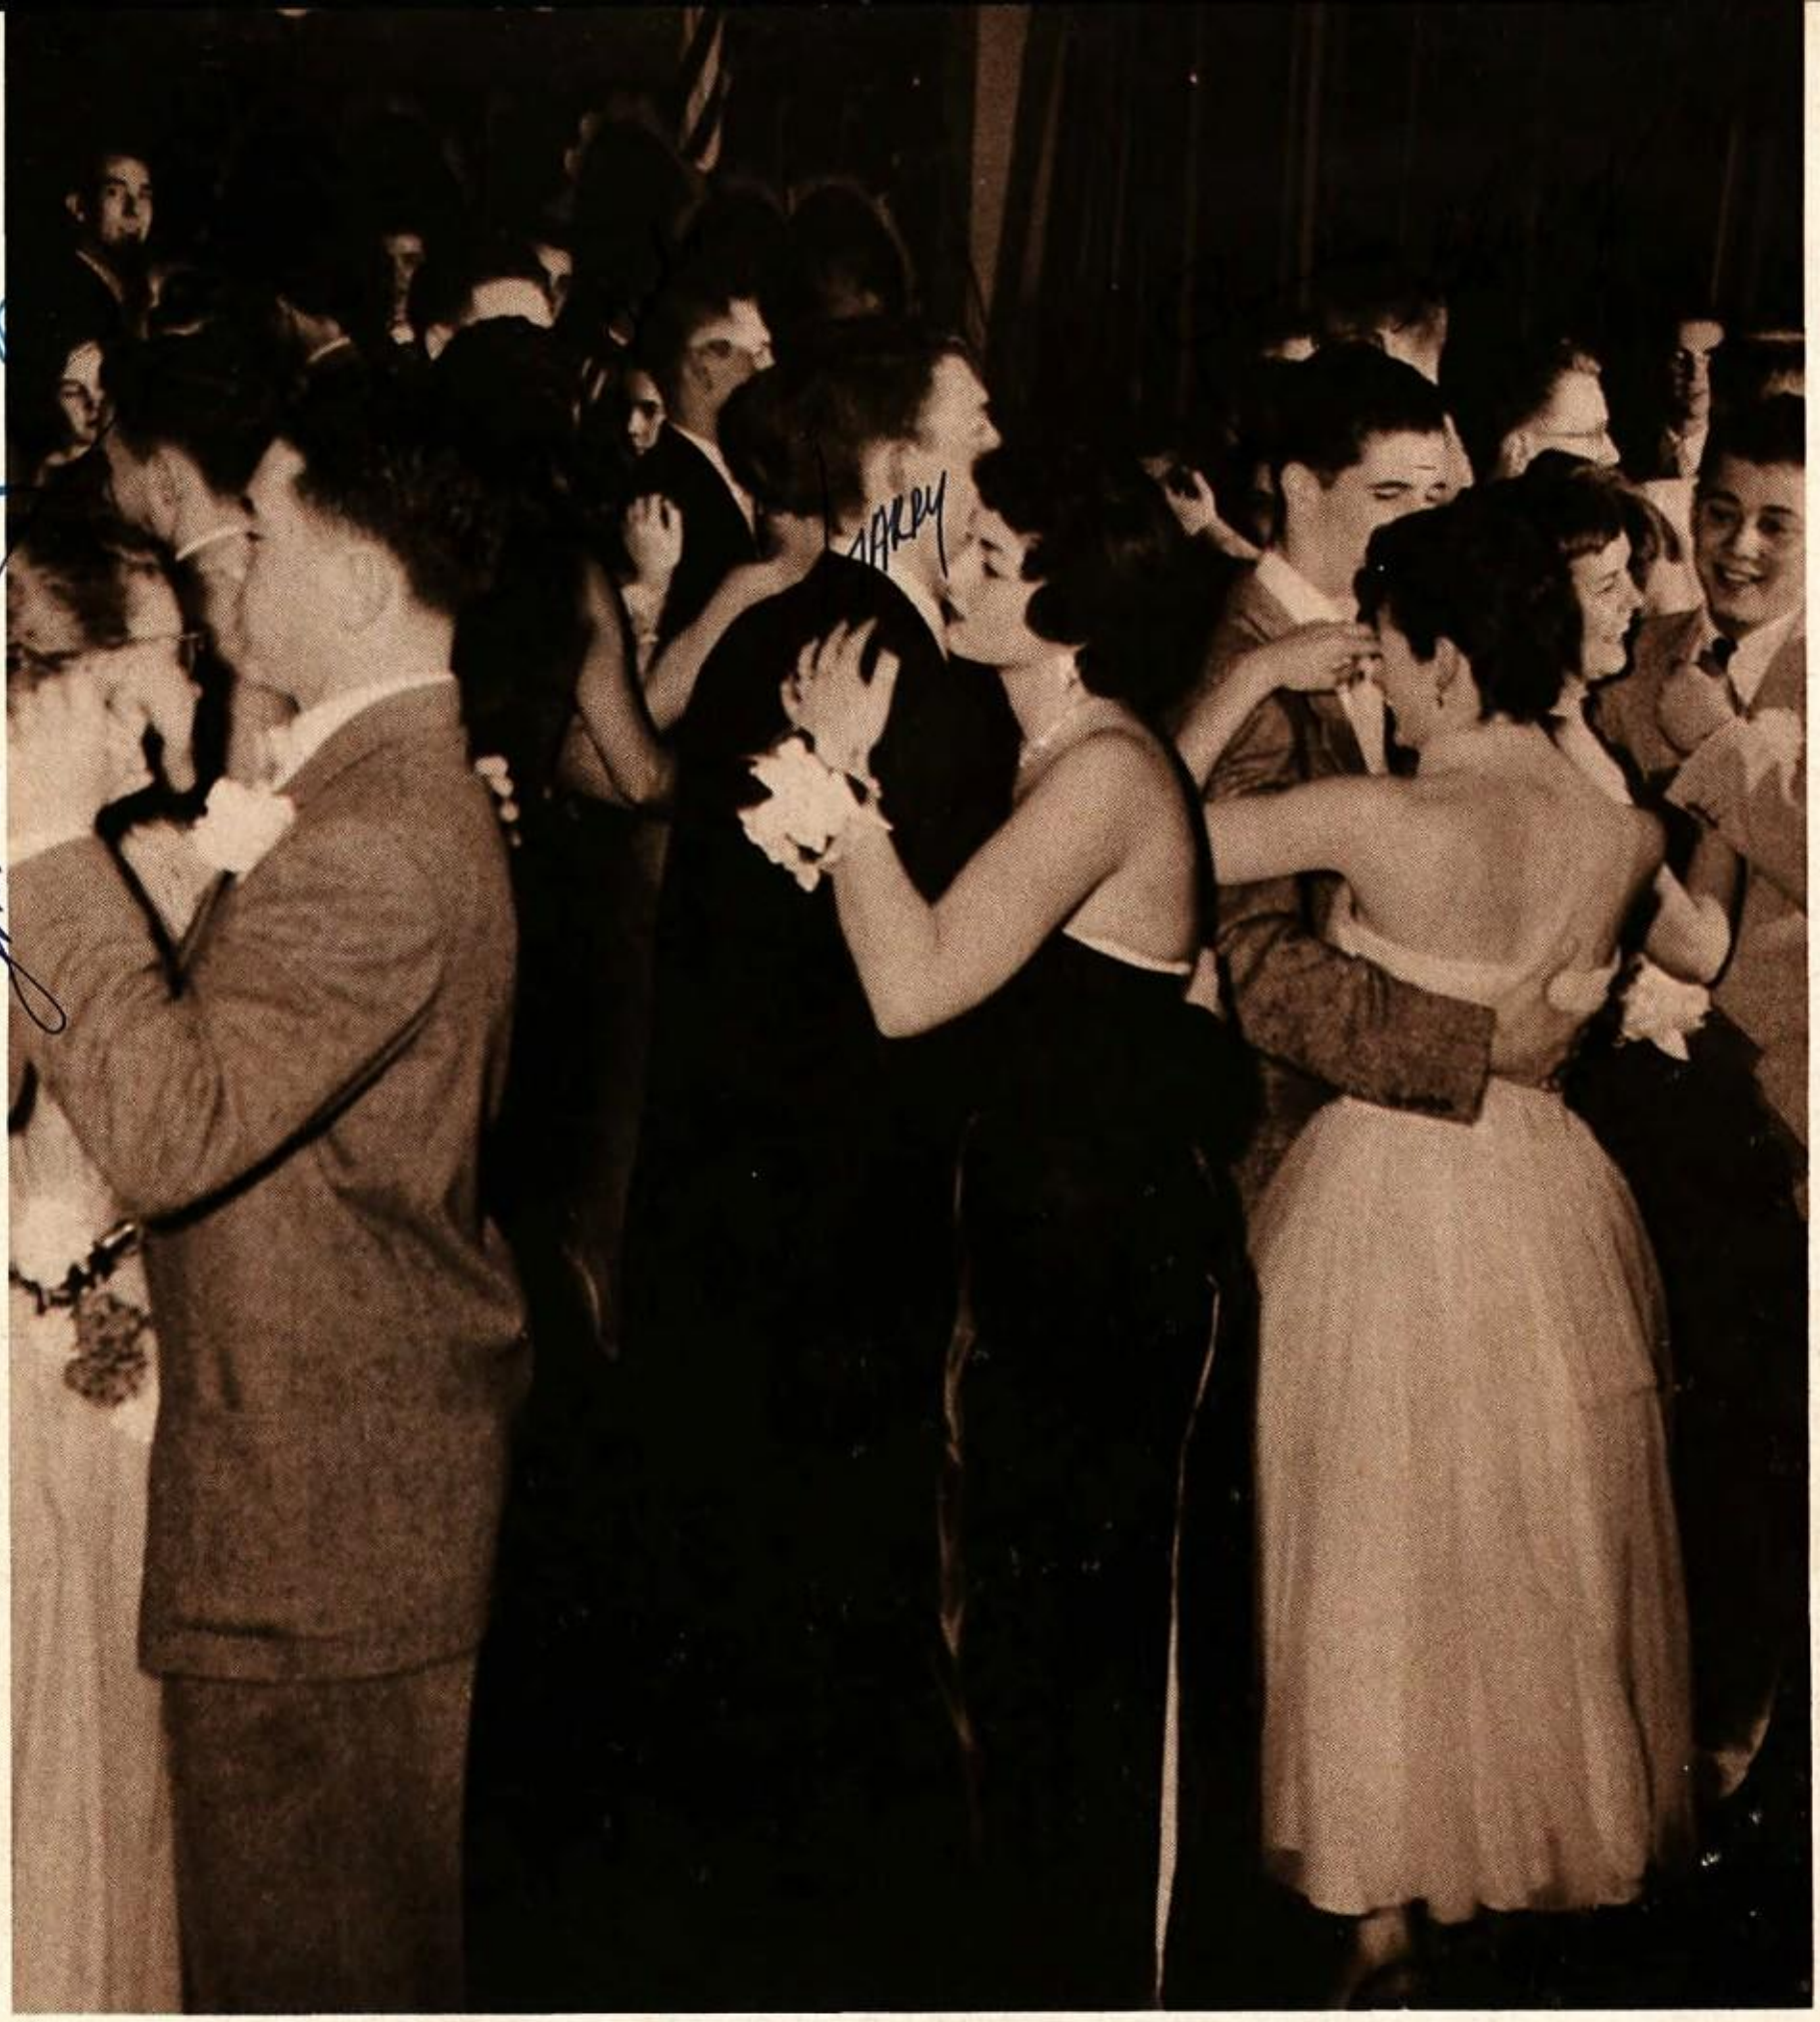
THE BUILDERS

H. W. Longfellow

All are architects of Fate,
Working in these walls of time
Some with massive deeds and great,
Some with ornaments of rhyme.

Nothing useless is, or low;
Each thing in its place is best;
And what seems like idle show
Strengthens and supports the rest.



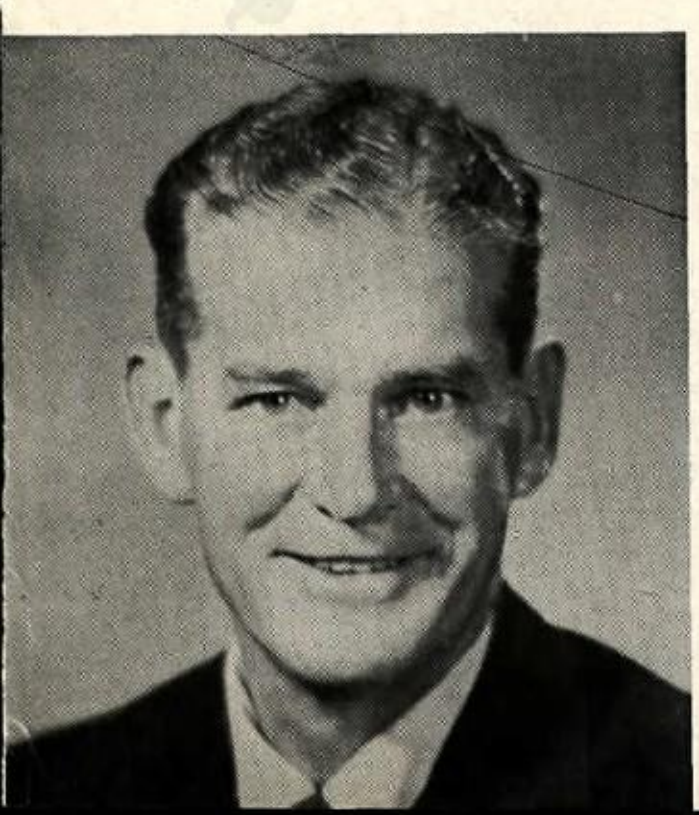
For the structure that we raise,
Time is with materials filled;
Our todays and yesterdays
Are the blocks with which we build.

The Building of Our Lives includes many different functions. Our high school days provide the cornerstone from which to build strong personality and character. One of the main factors in achieving this goal was Miss Quinlan, Dean of Girls, who is retiring this year after twenty-six years of service.

As you turn the pages of this book we want you to remember the wonderful instructors, advisors, activities and friends that you had at Grants Pass High School. We hope you enjoy this book and the memories it brings as much as we have enjoyed preparing it for you.

Truly shape and fashion these,
Leave no yawning gaps between;
Think not, because no man sees,
Such things will remain unseen.

Let us do our work as well,
Both the unseen and the seen,
Make the house where God may dwell
Beautiful, entire and clean.

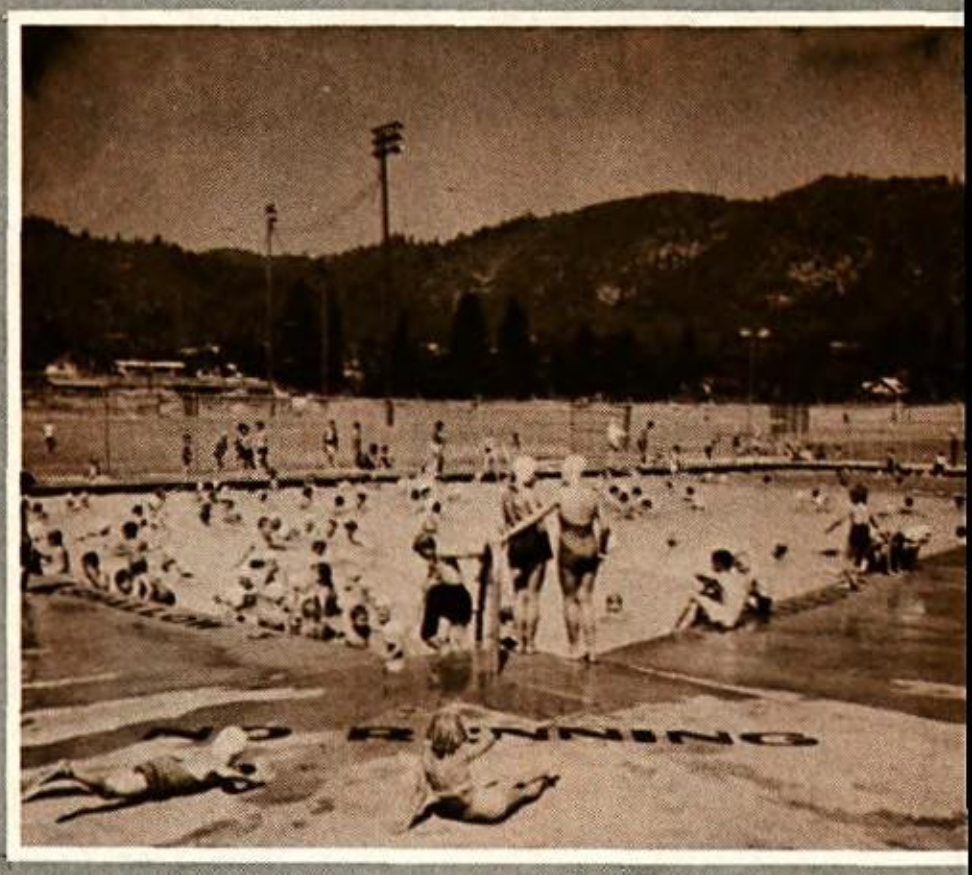


HERSHEL MANNAN (1905-1955). Hershel Mannan's loss to the faculty ended his career as a builder. Not only a fine teacher was lost, but also an exceptional speech coach. In Mr. Mannan's twelve years on the faculty, his speech teams had brought an increasing number of laurels to Grants Pass High School. His place will be hard to fill, but the forensic champions he has developed will serve as a living memorial to his work.

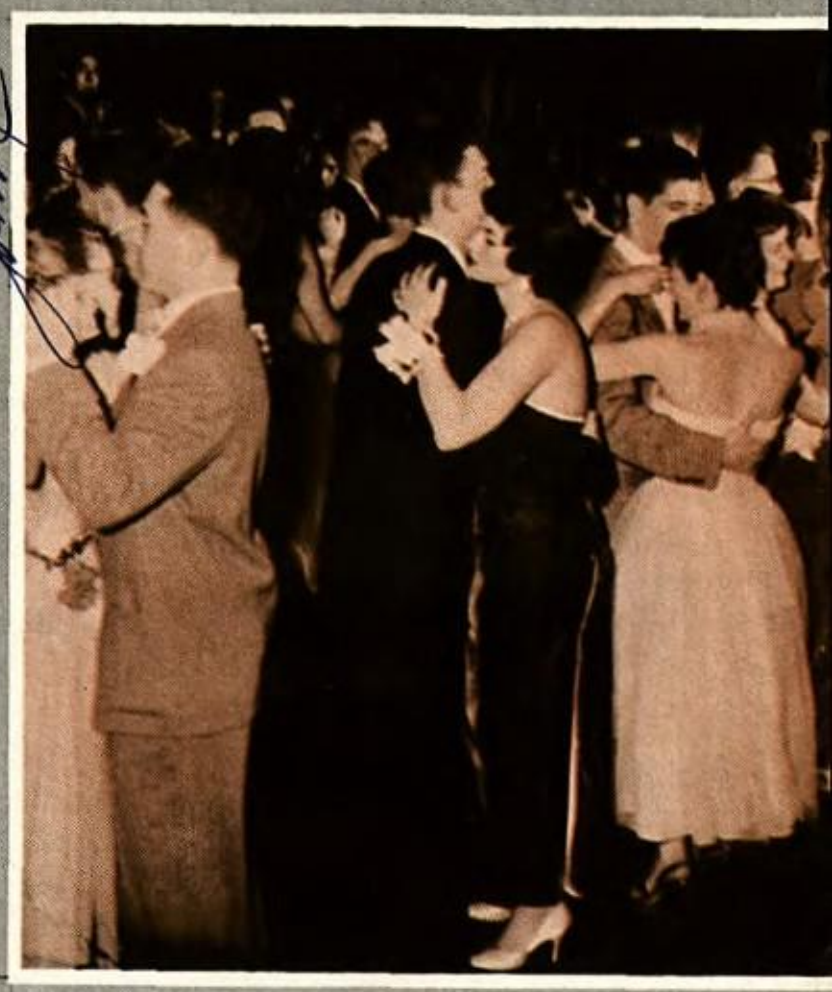
HERSHEL MANNAN

EDUCATION

Else our lives are incomplete
Standing in these walls of time,
Broken stairways, where the feet
Stumble as they seek to climb.

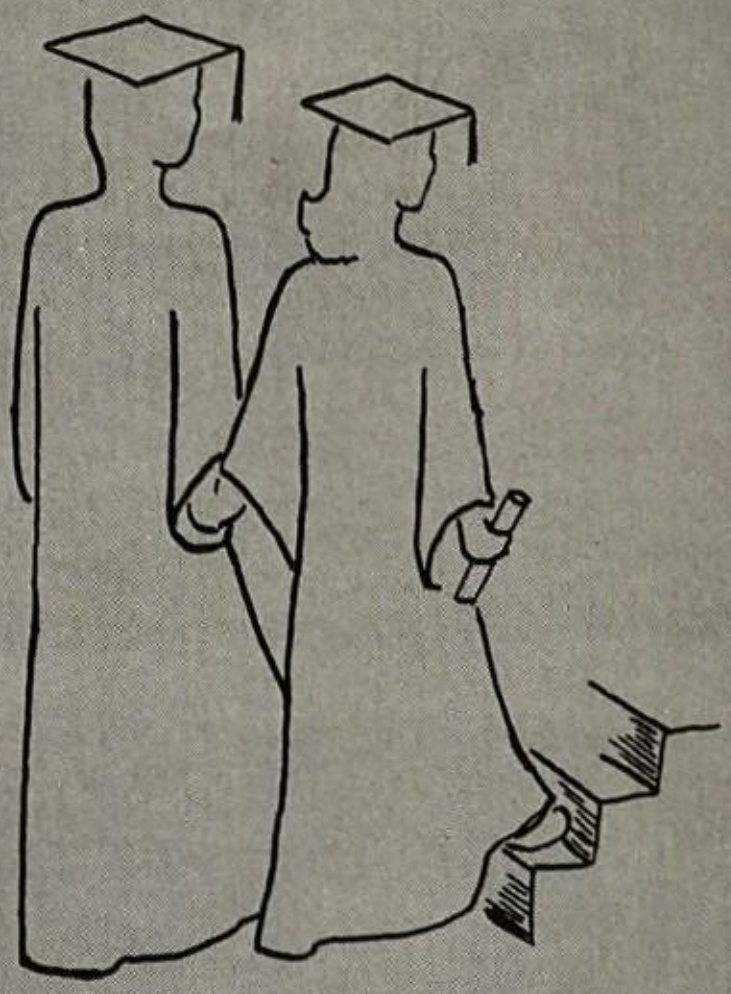


RECREATION



SOCIAL TIMES

LABOR



Build today, then strong and sure,
With a firm and ample base
And ascending and serene
Shall tomorrow find its place.

Thus alone can we attain
To those turrets where the eye
Sees the world as one vast plain
And one boundless reach of sky.

SPIRITUAL and MORAL

ADMINISTRATION

RALPH E. JONES
District Superintendent

SUPERINTENDENT

The business of Grants Pass High School is "the building of future citizens." Good citizenship is composed of at least three elements: knowledge, attitudes, and action. Knowledge is furnished through such courses as History, Science, Mathematics and English. Attitudes are stressed through extracurricular activities, such as the celebration of patriotic occasions and the development of a code of ethics toward one's fellow students.

It is in the area of action that more has been done in recent years than ever before. We have come to realize that you can't make good citizens solely by reading and talking about good citizenship. Good citizenship is a way of behaving. It is a matter of action.

FRANK W. THOMAS
Principal

PRINCIPAL

In preparing for the future it is necessary for us to realize that a secondary education is essential. Our community is continually in support of our high school with the desire for supplying the needs of youth. It is the aim of the administration and faculty to do everything possible to encourage students to take advantage of what the school has to offer and help them achieve their goal. If we think of our education as the foundation upon which the structure of our future is to rest, we will all be able to work together as we have in the past and continue to establish a firm footing for the future.

Frank W. Thomas

DEANS

MISS QUINLAN
Dean of Girls

Miss Quinlan, the dean of girls, handles many of the problems that arise in the school. Her duties include consulting any girls who seek help in everyday and emergency problems. Miss Quinlan is also the advisor for the girls' league, one of the school's largest clubs. A past graduate of Grants Pass High, she is an able representative of the faculty.

MR. KEITH
Dean of Boys

Although he has the nickname of "Tuffy," Mr. Keith, dean of boys, also has a reputation for being a capable advisor to the boys who bring their problems to him. As faculty advisor of boys' federation, he has an opportunity to know many of the students and understand the problems facing them.

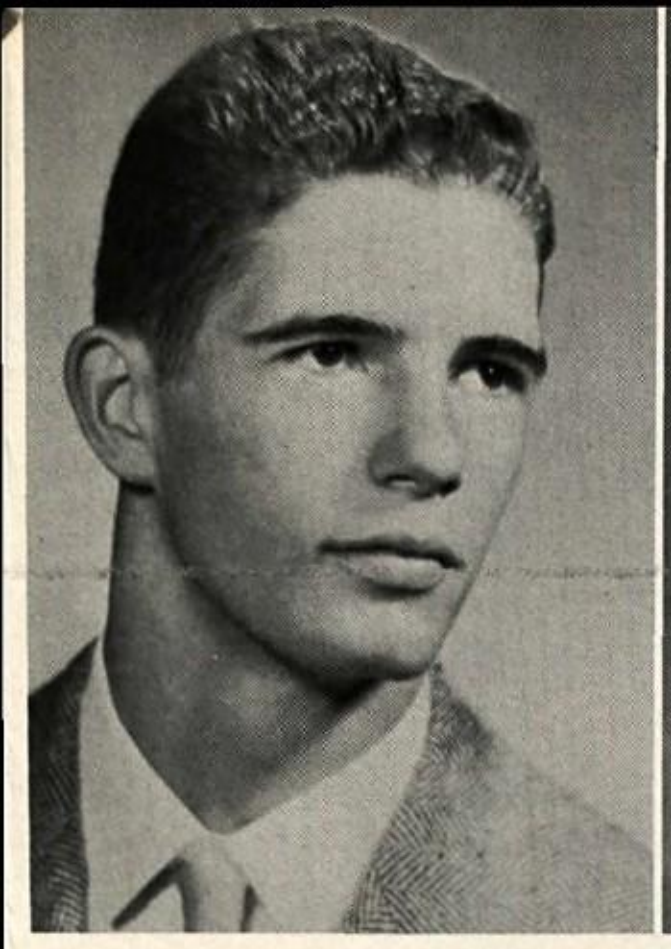
STUDENT BODY OFFICERS



TOM CUDD
Vice President

RUTH WHISLER
Secretary

Amid the waving of banners, political speeches, and vigorous campaigning, Grants Pass high school students chose their student body officers to lead them through the school year. Elected were Jim Reid, President; Tom Cudd, Vice President; Ruth Whisler, Secretary; Norma McPeak, Treasurer; Sally Wallace, Rally Queen. The business was efficiently taken care of by our student body officers, who discussed and attempted to solve the problems that arose during the year. Not only did they represent us in their various jobs, but set a good example wherever they were.

NORMA McPEAK
Treasurer

SALLY WALLACE
Rally Queen

First row: Brolin, Sparks, Alexander, McPeak, Whisler, Reid, Wallace, Clinton, Meyers, Burman, Colvig, Martin. *Second row:* West, Chapman, Allen, White, Wilkinson, West, Spong, Weigart, Mills,

STUDENT COUNCIL

"Will the meeting of Student Council please come to order." With these words, Jim Reid, Student Body President, opened another bi-monthly meeting.

Student Council is composed of representatives of all classes, major clubs, student body and class officers. Representatives are elected from the freshman social studies, sophomore biology, junior U. S. history, and senior social economic classes.

The Student Council strives to develop good school spirit and better citizens through practical experience in government. The council took up such problems as the student grandstand, which became quite controversial and no final conclusion was reached. They also sponsored several "clean up the campus" campaigns.

SCHOOL PERSONNEL

CORNERSTONE OF EFFICIENCY

Capable bus drivers are, *first row:* Mannan, Deller, Cogwell, Todd, Marks, Casey, Harrison, Fahl. *Second row:* Bothwell, Klote, Pigg, Schweinfurt, Bill, Hamilton, Rich, Henderson. *In bus:* Roach.

Much credit should go to the hardworking janitors and bus drivers. Long after the day's classes are over, the janitors are cleaning up the accumulation of clutter. They perform many extra duties for the students such as opening jammed lockers.

The bus drivers must have a good set of nerves and a steady hand to perform their job of safely transporting the students to and from school.

Hardworking janitors are, *first row:* Golder, Nickleson, Sommer, King, Nicholson, Hunsinger.

Members of the OFFICE STAFF are: Mrs. Howell, Mrs. Ullian, Mrs. Wright, Mr. Loffer.

OFFICE STAFFS

The efficient staff of office help in the high school and superintendent's offices keeps the school running properly. Always ready to help students or townspeople with the various problems that arise, they perform their job cheerfully although at times it may become difficult. Signing absence slips, requisitions, and mountains of typing is all in a day's work.

Trimming the tree are, *first row:* G. Buck, L. Fosberry, Mrs. Schweinfurt. *Second row:* F. Gray, S. Kincade.

CLASSES

Senior Officers are: Marian Chapman, Treasurer; Pete Miller, President; Mel Drews, Vice President; Sheryl Youde, Secretary; Faye West, Student Council Representative.

SENIORS RATE HIGH SOCIALLY, ATHLETICALLY AND ACADEMICALLY.

Senior Executive Board—*First row:* N. Doty, D. Pernell, F. West, M. Chapman, S. Youde. *Second row:* P. Miller, J. Varner, M. Drews, V. Bartlett, B. McAllister.

SENIOR EXECUTIVE BOARD

This year as we, the senior class, look back through our high school years, many memories of people and events come to mind.

There was that busy freshman year when Jim Reid was class president. That year we won second place in the magazines sales contest and held an annual picnic at the park. As frosh we had the honor of cleaning up after graduation.

The sophomore year Pete Miller served as president. A successful year was topped off by our picnic-swimming party in Ashland and decorating for Baccalaureate.

The junior class play, "Belles on Their Toes," and the junior prom, "Hoa-Tchoa," were the major events of our junior year. The annual picnic was held at the city park and with graduation drawing near, rose arches and ushering came into mind, this closed an eventful junior year. Joe Carson served as class president that year.

At last our senior year! Each of us had longed for the day when we would be the upperclassmen. With much success we started the year with the senior ball, "Hernando's Hideway." Next in line of our senior success was the senior Christmas play. In the spring there are many senior activities; the senior play, "Detective Story," was one of these. Graduation is upon us before we realize; thinking back on these four years the most fun of our lives was had here.

JUNIOR EXECUTIVE BOARD

The junior class started the year with a buzz of activities, the first of these being the junior play, "Our Miss Brooks." Dianne McKrola, Sharon Lorenz and Jim Brown held leading rolls in the play which was about the trials and tribulations of school life. Doug McGregor, class president, headed many of the year's projects. Several money-making activities were planned to pad the class treasury. Other activities included Junior Skip Day which was held in the park, and the Junior Prom, held in the spring in honor of the seniors. The making of the traditional rose arches for graduation ended a memorable year for the junior class.

SOPHOMORE EXECUTIVE BOARD

"Betwixt and between." That well describes the sophomores, who have not yet reached the status of upperclassmen, but considered themselves well above the underclassmen.

Bruce Marks, as class president, helped plan the many activities that took place during the year. Few will ever forget the eventful biology field trip to the coast or the trip to the school forest. They also held a Christmas party.

With their last class duty, that of decorating for graduation, the sophomores closed a rewarding year.

FRESHMAN EXECUTIVE BOARD

September third a bumper crop of freshmen invaded the halls of Grants Pass High. An enthusiastic class they entered their first year of high school with high hopes, starting off the year by electing a staff of officers to lead them. Chuck Rembert was chosen as freshman class president.

The freshmen worked hard on their frosh frolic and skating party. Athletics too was a "feather in their cap," as they had outstanding teams in football, basketball, and track.

Cleaning up after graduation closed their first busy and successful year with three more such years to follow.

CAVEMEN HAVE 6-2-1 SEASON

Great teams have always been part of Grants Pass. This year's Blue and White Cavemen were no different. They finished with a record of six wins, one tie, two losses which betters the record of the past two years though they failed to enter state playoffs this year.

The Cavemen opened the 1954 season by playing the annual Blue and White game, the White team came from behind in the closing minutes of the game to tie the score 6-6.

CAVEMEN BATTER ROUGH RIDERS

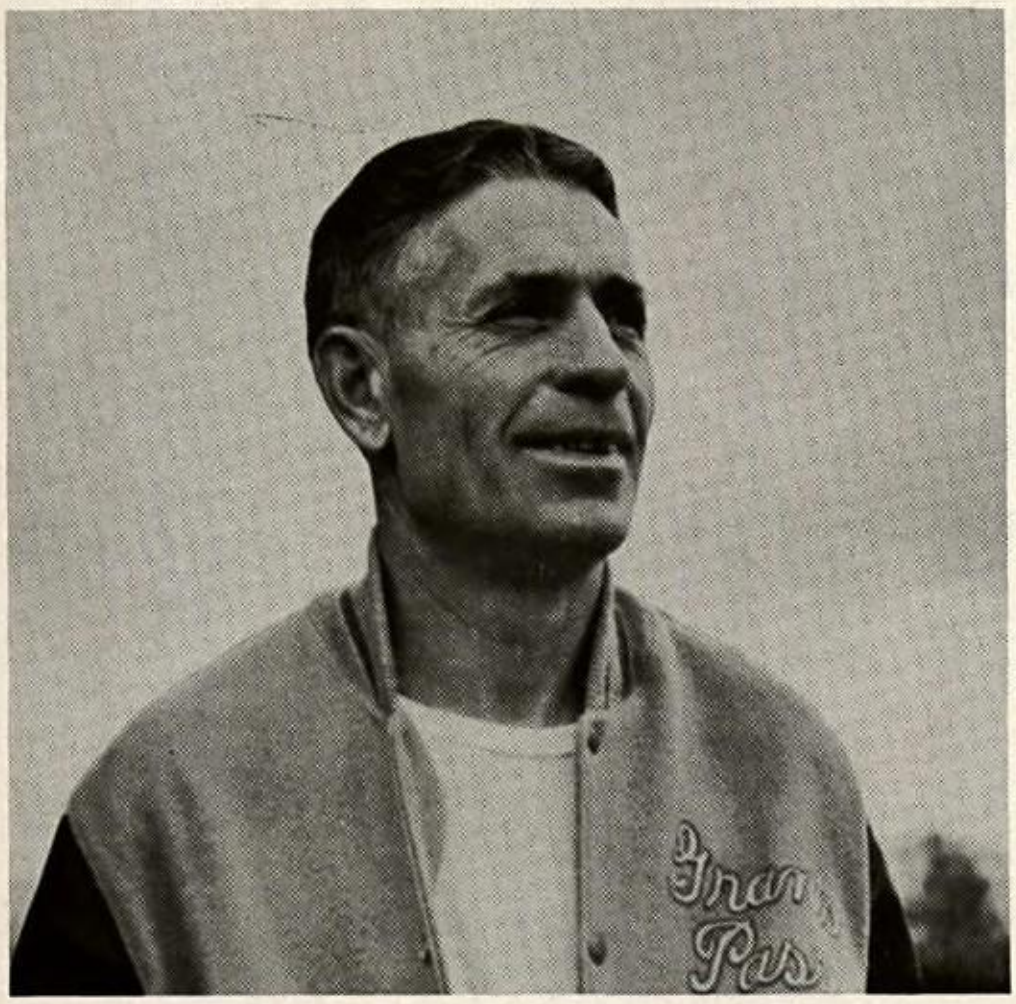
The next week the Cavemen beat the visiting Roosevelt Rough Riders of Portland, 21-0. The North Bend Bulldogs then challenged the Blue and White gridiron and went home beaten 21-13. Ashland was the next team to enter the Cavemen domain only to be whipped 34-12.

The Cavemen, rated that week as the state's top prep team, visited Medford and came home carrying their first loss after Medford intercepted a Blue and White aerial with 25 seconds to play to make a TD and break a 7-7 tie. Next on the Cavemen schedule was the Longview Lumberjacks, which was played on the Washington school's field. The Cavemen went to Longview determined to win, but Longview felt the same and both teams settled for a 6-6 tie. The Shasta High Wolves of Redding, California, visited the Cavemen who sent them home howling from 47-6 defeat.

BLUE AND WHITE PLACE SECOND

Grants Pass then went into action against the Klamath Falls Pelicans, fighting for second place in District 6 A-1 and came home victorious after dropping the Pelicans 23-6. The Roseburg Indians were the next gridiron team to enter Grants Pass. They had practiced on a spread formation which performed wonders as they went home happy after scalping the Cavemen 12-0. The closing game of the season for the Grants Pass Cavemen was a 6-0 triumph over the Crater Comets.

Individual honors were won by a number of players. Top award was selection of Arnold Slaven on the first string Oregonian All-State team. School honors were given to Mel Drews as outstanding lineman and Don James as outstanding backfield player.



MEL INGRAM, HEAD FOOTBALL COACH

JESS LOFFER, DIRECTOR OF ATHLETICS

COACHING STAFF

Head Football Coach Mel Ingram has just completed his eighth season with the Cavemen. Since he came in 1947 the Cavemen have played 89 games; lost 14, and tied four. Ingram has taken his teams to state three times and came home with two state trophies.

Ray Davis became his assistant as backfield coach in 1949 and Jim King became line coach in 1953.

Grants Pass's outstanding football teams are only natural since they have an outstanding coaching staff.

Looking over a play are: Jess Loffer, Athletic Director; Mel Ingram, Head Coach; Ray Davis, Backfield Coach; and Jim King, Line Coach.

ROUGH RIDERS BROKEN BY CAVEMEN

The Cavemen tackled the Roosevelt Rough Riders on the Cavemen home field to start the season off with a 21-0 victory.

Even though the Cavemen played a 21-0 game, they found it hard to break through the Riders' line. The Cavemen superiority was also evident in a 12-0 lead on first downs.

Nevi broke through the line in the first quarter for the first TD. Drews scampered for the second. In the last few minutes to play, Bartlett connected with a pass thrown by Nevi for the last TD, Allen "the Toe" Drews making all three conversions.

JAMES PREPARES TO HELP A TEAMMATE DOWN A NORTH BEND BULLDOG.

BULLDOGS SENT HOME YELPING

The Cavemen were out-played during the first half of the game but able to hold the Bulldogs to only six points which they made with only 30 seconds left to play in the second period.

The Cavemen started off the second half by making 13 points with Zinn and James each going over for the TD's. With only seconds left to play in the third period the Cavemen blocked a North Bend punt letting the ball roll free and out of the end zone for an automatic safety.

Early in the fourth quarter North Bend scored their second TD. Then came the Cavemen's turn again. Allen Drews carried the ball to the two yard line on a 34-yard ramble and Zinn plunged over making the score 21 to 13.

GRANTS PASS DOWNS ASHLAND 34 - 12

Scoring a touchdown in each of the first two periods the Cavemen held a halftime edge of 14 to 6 over the Ashland Grizzlies.

Mel Drews intercepted three Grizzlie passes. Two resulted in Blue and White touchdowns. At the beginning of the second half Vic Bartlett took the kickoff to the 39-yard line. With Zinn, Nevi, and Drews carrying the ball for gains, Grants Pass drove 61 yards for the third touchdown. Five minutes later the Cavemen had their fourth touchdown. The Grants Pass final score came with only minutes left in the game.

Ashland crossed the goal line in both the second and third quarter, leaving the final score 34-12.

INTERCEPTION YIELDS SEASON'S HEART BREAKER

Defeated by the Medford Tornadoes 14 to 7 the Cavemen dropped their first game of the season. The defeat was costly, taking away the chance for district 6 title and the state playoffs for the first time in four years.

During the first half the Cavemen dominated play, with the score at halftime 7 to 0. The Tornadoes came back in the second half to tie up the score.

In an effort to chalk up the winning touchdown, Nevi's pass into the end zone was intercepted by Tornado Alton Stone, who ran it back 102 yards giving Medford the winning score.

Taking the third period kickoff to the 31, the Jacks drove 69 yards in 13 plays to even the score.

Four occasions arose for scoring when the Cavemen neared the end zone, but each time they fumbled the ball. The Longview Lumberjacks had about the same opportunities but the Cavemen held them out of the end zone.

This was a freak game for the Cavemen as they captured the Wolves with a 47-6 score.

The first score came late in the quarter, then in the second quarter the Cavemen scored twice making the halftime score 20-0. In the third quarter, Zinn, Nevi, and Herman teamed up for another TD.

In the last minute of play the enthusiastic Wolves carried the ball to the Cavemen eight yard line; but were penalized, pushing them back to the 13, where they were stopped for a loss of eight yards as the gun sounded victory to a final score of 47-6 for the Cavemen.

The Cavemen defeated the Klamath Falls Pelicans 23-6 for second place in District 6 football.

With the game only four minutes old, Don James opened the scoring. The Cavemen dominated play through the first period. The Pelicans had the play in the second making their only touchdown.

Starting off the second half in scoring for the Cavemen was Lloyd Zinn. Three minutes later the Blue and White scored again. Late in the third period the Cavemen pushed Klamath Falls into the end zone for a safety and two more points.

In the fourth the Pelicans had a chance to make a better showing but the alert Cavemen held them out of the end zone.

INDIANS SCALP CAVEMEN

Using a spread formation the Roseburg Indians were able to hold the Cavemen scoreless in their regular season finale. This was a hard loss for the 11 senior boys who were playing their final high school game.

Some at halftime thought that the game would end as it did on the Roseburg field last year 0 to 0, but the Indians came to life in the third quarter and made their first touchdown. Then in the fourth the Indians got control of the ball on their own 44-yard line and gained the remaining 56 yards in only nine plays to score.

The last game of the season was a defensive game with Roseburg with Doug Smith making 30 percent of all the tackles. Ken Caulking also played an outstanding game.

The up and coming freshmen have some good prospects for the Varsity team. They were undefeated in five games, it was not until the last game of the season that they fell to Medford by a score of 33-0.

The season was opened with a victory of 34-6 from K.F. Then the Cavekids traveled to the town of the Tornadoes for the closest game of the season, winning only by a five point margin.

The next two weekends they played Ashland, whipping them to the scores of 27-14 and 25-0.

SCHOOL SPIRIT BOOSTED BY AROUSED CROWD

Essential in every school is the loyalty and spirit the students show toward their school. Many things contribute to school spirit: the pep clubs, rally squad, band, athletic teams, and members of the student body. It is the job of these groups to raise spirit necessary for the success of all functions.

Spirit and loyalty is put on a true test when the students will support a losing as well as a winning athletic team.

RALLY SQUAD

Leading the students in yells and songs the rally squad helped build up the school spirit. They spent two nights a week all summer learning their routines. They must always be full of pep and behind the team in both victory and defeat. They attended all the games at home and away, missing only the two played at Marshfield.

This year they published a basketball booklet with pictures of all the Grants Pass teams. In February they sponsored a dance after the Ashland basketball game.

CAVEMEN SPLIT WINS AND LOSSES FOR SEASON

The 1954-55 Grants Pass basketball team placed third in District 6 standings. They ended the season with a record of 11 wins and 11 losses.

The season started with the Southern Oregon jamboree which was held here. Each team played one of the other three teams for one quarter. The Cavemen showed a slow start by placing last with one tie and two losses. Medford and Klamath tieing for first and Ashland taking third.

FORTUNA VICTORY STARTS SEASON

In the first non-conference game the Cavemen met and beat the Fortuna, California, Huskies 49-43. Both teams played a rugged game, losing the ball several times for traveling and making a number of bad passes. The next week the Blue and White basketeers traveled to Marshfield where they were defeated in both games. In the second game the Cavemen were leading in the final quarter when the Pirates tied the score and went on to win the game with a margin of 5 points.

The Northbend Bulldogs then came to Grants Pass and fans saw the Bulldogs come from behind to win in one of the top games of the season, 63-59. The Cavemen then won a game against Eagle Point. Next they came up against the Crater Comets. In the first game the Blue and White team had to play consistent and brilliant ball right to the end winning by a slim margin of only one point. The second game being about as tough but the Cavemen were victorious by a slightly better score of 58-53.

FOUR DROPPED TO TORNADOS

To start off the conference the Cavemen played the Medford Tornados who beat them twice. They then traveled to the cold Pelican city of Klamath Falls and came home with two more defeats. Returning to Grants Pass they played Ashland and won their first two conference games.

This helped build up the Cavemen spirits for the second encounter with Medford. The Tornados had to play outstanding last minute ball to top the Blue and White lead, in the first game, but by using ball control managed to defeat Grants Pass in both contests. Klamath then payed back the Cavemen visit and split a pair of week-end games. To round out the final games the Cavemen won two games with the Ashland Bears. Winning the last one with hard last minute playing.

NORTH BEND CONTEST NON-LEAGUE THRILLER

The Cavemen's cage season was opened by 9 non-conference games consisting of 6 wins and 3 losses. The team began with a close win over the Fortuna, California Huskies and dropped two to the Marshfield Pirates the following week. The hoop thriller of the pre-season games was played with the North Bend Bulldogs who edged the Cavemen out of a win in the last seconds of play. However, the hoopsters finished up the non-conference season with 5 straight wins.

TORNADOS WHIRL PAST CAVEMEN FOUR TIMES

The Cavemen dropped all four conference games with their arch rival, Medford. In the first series the Tornados completely confused the Cavemen with their smooth working, deadly shooting team, defeating Grants Pass by scores of 63-44 and 86-37.

In the second set of games the Cavemen started out with Mel Drews scoring on a rebound and Jim Reid making two foul shots. This gave the Cavemen a lead which they kept throughout the first half. In the third quarter Medford out scored the Blue and White and won with a 51-44 score. Saturday night the Tornados again were victorious with a 68-39 decision. The Cavemen must be credited with giving Medford a tough battle and forcing the Black Tornados to go all out to earn their third and fourth victories.

KLAMATH KNOCK CAVEMEN OUT OF CHANCE FOR SECOND

The Klamath Falls Pelicans won three out of four games against the Cavemen. In the first two games the Pelicans out played the Grants Pass team by getting off to early leads which the Cavemen couldn't over come. The Red and White Pelicans chalked up scores of 53-41 and 41-29 in these games.

In the third game the Cavemen out played the Klamath team in one of the top games of the year. The score was tied eight times before the Cavemen pulled ahead to stay in the fourth period. The game ended with a 54-47 victory for Grants Pass. In the final game with Klamath Falls both teams fought to the last minute. The Cavemen's attempt to break Klamath's stall left the basket unguarded enabling the Pelicans to tally the winning basket. After the final buzzer a Pelican sunk two foul shots making the final score 55-51.

In the final game both teams were fighting for a win. The red and white Grizzlies led through much of the game and were ahead in the last quarter till Grants Pass came from behind and went ahead to win 69 to 63.

The 1954-55 junior varsity team started slow but hard work shaped them into a successful squad by mid season, winning 6 and losing 13 games.

Early in the season the team lost by large margins to Klamath Falls, Glendale, and Roseburg. Glendale and Roseburg were defeated in return engagements with the J.V.s.

In the Medford series all four games were dropped but two of the games were played on even terms till the final buzzer.

Wrestling showed an upsurge this past season. Enthusiasm for the sport reached a new high For the most part the squad was young, composed of first or second year wrestlers. Few seniors were present but such performers as Don Jaynes, Larry Nichols, Charles Hussey, and Dale Durboraw will be missed from the squad.

Prospects for next year appear very bright with a large number of juniors, sophomores and freshmen returning. The junior varsity won 7 out of 10 matches.

Members play an elimination tournament during the noon hour in volleyball, basketball, softball, ping-pong, badminton, and tennis.

The tournament is conducted by teams within a single class. A championship is determined by an elimination playoff of class winners.

Girls' League week, held in the spring was awaited impatiently by the girls. During this week the girls asked boys for dates and paid for any expenses incurred on the date.

In early May, the Mothers' Tea was held. The mothers of all high school students were invited to the tea and were entertained with a program.

TOKA . . . EDITORIAL STAFF

Few students realize the problems incurred in compiling and issuing the *TOKA*. The editorial staff, headed by Norma Doty, Editor, and Janice Anderson, Assistant Editor, spent much time working on the yearbook during class, after school, and at night.

Many jobs are performed by this section of the staff. Copy must be written, layouts drawn, pictures identified, pages typed, and the index compiled before the book is distributed to the students. It takes efficient leadership to combine all these into a good yearbook.

Pictures of graduation, the junior prom, spring sports, and other spring activities are included in the summer supplement of the *TOKA,* which was offered for the first time.

The other publication of the class is the student handbook, the *CAVE CODES*. Dorothy Harper served as editor.

Business Manager

TOKA . . . BUSINESS STAFF

To raise the several thousand dollars necessary to finance the *TOKA* required long hours of labor by the business staff. Conscientious and reliable they work hard to bring to you the yearbook. Pounding the streets for ads and figuring distribution of books are only two of the jobs they perform. An accurate set of books must be kept along with records of the sales.

This year they hit an all-time sales record by selling 960 books before the first of the year.

The loss of Russ Reish, business manager, in the middle of the year left them temporarily hampered but shortly they were back on their feet by the selection of Anita Kubli to fill the vacancy.

Members of the business staff for the year were Mona Trumbull, Dale Pernell, Dorothy Harper, and Mary Lou Cook.

TICKET SQUAD

Students belonging to the Ticket Squad perform a service to the school through their activities. The members sell and collect tickets at all school functions and athletic games. While often giving up their own leisure time to perform services to the school, these students gain no reward but the knowledge of a job well done.

Officers of the club are: Sherman Newman, President; Dorothy Valdez, Vice President; Barbara Wallace, Secretary; and Loran Ray, Treasurer. The advisor is Mr. Collett.

Baskets for the needy at Christmas and Thanksgiving are only two incidents of service Tri-Hi-Y performs for the community. Comic books were sent to the James Home for Boys.

The biggest project for the year is the Youth Legislature in Salem. Boys and girls from the entire state assemble and conduct a student government for two days. Two official delegates and three unofficial delegates are sent. The expenses of the unofficial delegates are paid so that the girls have an opportunity to participate in a constructive program of citizenship training.

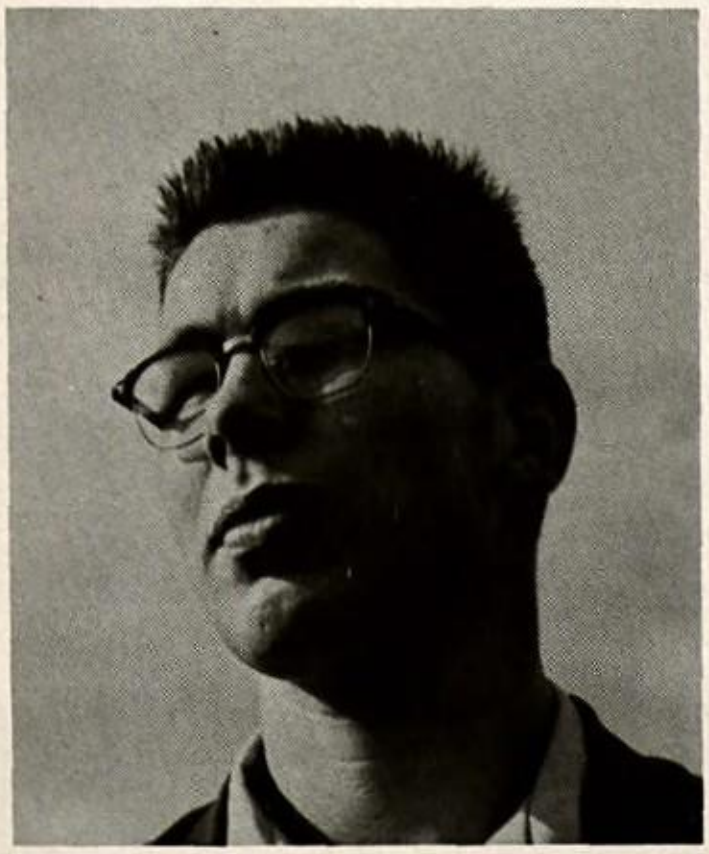
VARSITY G



MEL DREWS
President

Varsity "G" is an organization composed of the athletic lettermen and their managers. Although most lettermen join Varsity "G," membership is not compulsory. They held fall and spring initiations where they performed cleverly during the noon hour but their extensive initiation was held in the evening.

Main activity for the year was their boxing-wrestling smoker. They also sponsored a clothing drive for the James Home. As a money making project they sponsored an after-the-game dance.

Officers for the year were: Mel Drews, President; Jay Reese, Vice President; Al Drews, Secretary-Treasurer. The advisors are Mel Ingram and Ray Davis.

YOUTH FOR CHRIST

The Youth for Christ club of Grants Pass high school is one of our most diligent organizations. They hold weekly meetings and often have featured speakers. In February they held their Valentine banquet and later on in the year, a wiener roast and a chili feed. Towards the end of the year they sponsored the end-of-the-year banquet in honor of the juniors and seniors.

The club officers are: John Wright, President; Mary Ellen Harmon, Vice President; Betty Stout, Secretary-Treasurer; and Margaret Vobora, Student Council Representative. The club advisor is Miss Hayes.

GOLDEN RULE'S FIFTIETH ANNIVERSARY

1905 1955

50 years as your home-owned department store, still first at 50 . . . 50 wonderful years . . . A half century of progress, of confidence . . . of distinction . . . and integrity.

The little store, that Mr. Frank Mashburn and Mr. Frank Jones opened so proudly in April 1905, employing 4 people, has expanded to a 1955 organization of 40, but still holding fast to their precepts of quality and service and courtesy that were its foundation stones 50 years ago.

Today, we at the Golden Rule Store are dedicating the year 1955 to our loyal customers . . . We are marshalling all of our resources to bring to you throughout the year, a series of exciting golden events, watch for them.

BLUE AND WHITE NETTERS FACE TOUGH OPPOSITION

The 1955 season proved to be only fair for the Grants Pass tennis team. Final results for the season's play showed a record of three wins and three losses. Although the record is not impressive the opposition was the toughest in the state.

The three losing efforts were very close and were at the hands of Medford and Roseburg who eventually finished at the top in the state tournament. The Cavemen racketeers were victorious in matches with Ashland and Klamath Falls.

The work of John Russell was the bright spot among the individual performances. John's season record was five wins and one loss. John Wilson and Lynn Mannan were the players who displayed the most improvement through the season's play. Both Russel and Mannan will be back for the 1956 season.
